INTERNETWEALTH4U IW4U

With IW4U, You pay for a month of our services plus setup costs (\$20), if the services work for you and your business then you are welcome to keep using the services for a small \$15 per month fee, and if not, we wish you the best of luck in your future endeavors; regardless of your decision on our services, we would love for you to refer more people to try out our services as well. You just never know who it may work for. We have built a very generous compensation plan to reward you for your referrals.

The Pay Plan (The Money Train)

IW4U runs a 2x3 Feeder Matrix System to quickly earn back your initial membership fee. You then upgrade to a 2x2 matrix with spillover. Once the first 2x2 Matrix is completed, you automatically get a re-entry back into the pay plan, as well as an option to upgrade to a higher level 2x2 or take (if available) the payout. Accounts are automatically upgraded after 48hrs if choice is not made. If your referral upgrades to another level that you haven't upgraded to yet, your sponsor or upline will get the upgrade payment.
